

Seaforth School and Reformatory Boys

Details

'Seaforth School and Reformatory Boys' 1947? is a digital copy of four photocopied images mounted on a single piece of paper and held in the *Seaforth photos* file at the Salvation Army Heritage Museum WA. Handwritten captions identify the images as 'Seaforth School'; 'Seaforth – Reformatory boys'; 'Seaforth 7-7-54' (boys are named in the original held on the file); and 'Seaforth 1954 F. Dean & Blinkie'. From the clothing, it seems likely that all images of the boys date from 1954.
