## Records Location

These records are held by [St Edmund's School \(1951 - current\)](#)

## Details

---

This archival collection contains records relating to St Edmund's residential 'home' run by the Christian Brothers. St Edmund's was a residential 'home' for boys aged between 5 and 17 with a visual impairment established in 1951. From 1980 onwards St Edmund's became a day school and is as of 2014 co-educational. The records in this collection are held at St Edmund's School.

## Access Conditions

People wishing to access the records in this archival collection are advised to contact the principle of St Edmund's School.

## Records

There is almost no information publicly available about the records in this collection. As such information relating to some individuals who experienced 'care' at St Edmund's may be missing.
