**Records Location**

These records are held by [Anglicare \(1997 - current\)](#)

## Details

---

The Anglicare Out of Home Care Records comprise records relating to children and young people in foster care and residential care programs run by Anglicare. After a young person has been discharged, Anglicare Out of Home Care Services keeps their records in this collection for 1 to 2 years. Following that period, the records are then transferred to Care Leavers Archives and Records for permanent retention.

## More info

---

### Organisations in these records

#### Related Organisations

- [Paul Street Adolescent Program \(2002 - c. 2017\)](#)
- [Anglicare Out-of-Home Care Services \(2008 - current\)](#)

Anglicare Out of Home Care Records contains the files of children and young people who were discharged from programs run by Anglicare Out-of-Home Care Services in the previous 1 to 2 years.
