Details

This series contains over 3000 correspondence files of the Colonial Secretary's Office, Home Secretary's Office, and various Queensland Health Departments. Many of the files from 1935 onwards relate to health matters, however files pre-dating this time relate to a broader range of issues. This series includes files relating to mental hospitals and asylums, lazarettes, Missions and Aboriginal settlements, children's homes, and reformatories.

Access Conditions

Many items in this series are Open Access and are viewable by any member of the public. Some open access files have been digitised and can be viewed online. Access to other files is restricted for 65 years in order to protect personal privacy. For access to open records, or to apply for access to restricted records, please contact Queensland State Archives.
