## Details

---

The Registers of Nursing Homes, Series ID 16530, is a record created and kept by the Rockhampton Receiving Depot. The register records the details of Nursing Homes that operated for the purposes of nursing and caring for children under the age of three years. The register includes information such as name of the manager of the nursing home, their sex, whether they were married, their occupation, the address of the home, physical details about the home (e.g. how many rooms and what material it was built from), the number of infants it was licensed to receive, dates of registration and renewal, and other remarks. There is an alphabetical index at the front of the register that gives the names of infants at nursing homes, including their dates of discharge.

## Access Conditions

This register is open access and available for viewing by any member of the public. For access to this register please contact Queensland State Archives.
