## Details

---

These admission / intake cards (GRS 6639) make up an alphabetical index of youths admitted to the South Australian Youth Remand and Assessment Centre (SAYRAC), previously known as Vaughan House. Although the card index is archived under 'SAYRAC' cards were also kept prior to the name change in 1979. The series also includes admission index cards for Lochiel Park (boys only) from 1979 to 1990.

## Access Conditions

A Research Centre Members card, obtainable at the Archives, is required to research records held at State Records.

Although some very early records relating to children in care in South Australia are open for access, most records relating to children are subject to a 100 year restriction, particularly those which contain personal information about individuals. Written permission must be obtained from the government agency which created the record in order to access restricted material. To obtain permission a Freedom of Information (FOI) request form must be submitted to the relevant government department. State Records staff will be able to assist you with this.
