

Julia Farr Services

1994 – 2006

Details

In 1995 the Julia Farr Centre changed its name to Julia Farr Services. It provided residential care and assistance for people living with a disability and aged care services. In 2006 Julia Farr Services became a part of Disability SA. While some portions of the Fullarton site remained in operation, others parts were sold. The former West Wing of the Julia Farr Centre, which was vacated in the early 80s due to asbestos, remained derelict for many years. In 2006 what remained of the original Julia Farr Centre site was renamed Highgate Park.
