

Independent Living Unit

1983? – 1990?

Details

The Independent Living Unit, run by the government, opened in about 1983. It was a part of the Northern Regional Resource Unit in Launceston. Wards of state learned independent living skills through a residential six month course at the Independent Living Unit which could also take emergency placements. It closed around 1990.

The Independent Living Unit was run by the Northern Regional Resource Unit in Launceston.
