

Grosser's Boarding House

1970? – 1971

Details

Grosser's Boarding House was a privately-run boarding facility that was described in a 1971 survey of Aboriginal education and employment hostels as occasionally accommodating young Aboriginal people, possibly from regional Western Australia, independently of government authorities. Its location in metropolitan Perth is unknown and it was not mentioned in any reports of child welfare authorities who became responsible for the accommodation of Aboriginal students.
