## Details

---

This series contains the School Journals of the Parkerville Primary School, Western Australia. A School Journal is the Head Teacher's record of events and activities at a school. School journals frequently name children and may briefly describe children's accidents, illnesses or other incidents. Children from the Parkerville Children's Home went to the Parkerville Primary School from 1954 so these journals may give useful information. This series contains journals from the school years 1949 to 1962; 1967 to 1991 and a School Journal (Misbehaviour Journal) for the school years 1989 to 1991.
