Records Location

These records are held by [National Archives of Australia \(1998 - current\)](#)

Details

This file contains correspondence relating to the running of the East Arm Leprosarium and its predecessor, the Channel Island Leprosarium.

Access Conditions

This record is open for access and a digitised version is available for viewing through Recordsearch. Information about how to access records through Recordsearch is also available on the website.

Records

Much of the correspondence on this file relates to entitlements and pension claims for individual patients. It also contains an issue of 'Health', the journal of the Commonwealth Department of Health, from September 1964 which includes an article about new approaches to the treatment of Leprosy at East Arm.
