Details

This series contains an incomplete set of the Doomadgee community newsletter *Doomadgee News*. The newsletter was created for Doomadgee residents by the Department of Aboriginal and Islander Affairs officer in Doomadgee, and published on a fortnightly or monthly basis. It contains items and photographs provided by the residents of Doomadgee. Many of the newsletters in this series are pre-print mock-ups, not final print copies, however they contain much of the same contents as the published versions.

Access Conditions

This series is open access and is available for viewing by any member of the public. For access to this series please contact Queensland State Archives.
