Details

This series contains details of male patients admitted to the Ipswich Special Hospital and Ipswich Branch of the Woogaroo Asylum. It includes information such as the patient's name, date of admission, form of mental disorder and its causes, patient's age, marital status, social condition, children, occupation, place of birth, religion, duration of attack, previous attack, date of last admission, and information about discharge/transfer/death of patient (including post mortem information if the patient died in the hospital). The book also includes medical information for patients, such as copies of medical certificates, medical history, family medical history, physical condition on admission, history of present attack, and periodic updates on the patient's condition. The books also contain some letters written by patients.

Access Conditions

Records in this series are restricted for 100 years in order to protect personal privacy. To apply for access to these records please contact Queensland State Archives.
